Points:	1	2	4	6	8
Cambridge	Starter	1	2	3 4	5
Penguin	Starter	1	2 3	4	5

At first read below your level (so if you are level 2, read level 1 books) until you are more confident. Don't over-challenge yourself - you will struggle too much, get bored and give up. But, at the same time, don't read far below your level or below your level for too long, or you will be bored and not learn anything.
